Last Sunday, Brazilian pop artist **Romero Britto** threw a vibrant “painted party,” at which he played host to all 88 2015 Miss Universe contestants. In heels and uniform graphic tees, the jaw-dropping beauties painted a brilliant neon mural outside Britto’s Wynwood studio, Britto Central, in support of Best Buddies.

“As an artist, I feel compelled to share my hope and happiness with the world around me and it was a true honor to spread my art with representatives from

around the world,” said Britto. “It was a one-of-a-kind experience... and I wish them all the best in the coming weeks as they prepare to take center stage.”
