LAND SHARK STADIUM TO FEATURE BRITTO-INSPIRED DESIGN

Miami, FL: Saturday, August 8, 2009 – Just minutes before the unveiling of the Miami Dolphins Cheerleaders 2010 Swimsuit Calendar at Casa Casuarina, formerly the Versace Mansion, on Ocean Drive in Miami Beach, Miami Dolphins owner Stephen Ross announced that world-renowned artist **Romero Britto** will be bringing Land Shark Stadium alive through his iconic art.

The stadium's helixes and gate entrances will be adorned by **Britto's** high-energy and vibrant art, adding life and a touch of South Florida to the venue. In the coming weeks, in connection with the Dolphins celebration of Hispanic Heritage Month, children from various community organizations under the Brazilian artist's direction will help paint the helixes with **Britto's** pulsating colors and pop themes.

"**Britto** is not only renowned throughout the world, he's quintessential South Florida," said Ross. "His vibrant art is unequalled and representative of our diverse region, which is why it's a perfect fit for the stadium."

"It's wonderful to have individuals like Stephen Ross who bring so much beauty to cities across the country and around the world, I'm so excited he invited me to join him on this new journey of the Miami Dolphins where sports and art are celebrated in the same place!," said **Britto**

The innovative partnerships come on the heels of several exciting business announcements by the organization as it revolutionizes the fan experience at Land Shark Stadium.
