The famous pop artist Romero Britto has launched a new concept store of the biggest cruise ship in the world, Oasis of the Seas, by Royal Caribbean giving the passengers the option to take souvenirs in limited edition.

The biggest cruise ship in the world, **Oasis of the Seas** by **Royal Caribbean**, has a new concept store on board which includes products created by the famous pop artist **Romero Britto**.

The passengers have now the option to take home some wonderful souvenirs, such as media sculptures, digital prints, collectibles and some great limited edition items.

It is the artist's fourth concept store of this kind, the previous been opened on Royal Caribbean's **Allure of the Seas**, **Freedom of the Seas** and **Splendor of the Seas**.
